

DECEMBER 2016 NEWSLETTER

Elaine is in the office Monday to Friday from 9:00 a.m. to 12:00. If you have any questions or concerns, please drop by, or call her at 705-848-0173, or email her at condosonframe@gmail.com

In case of emergency, call Bob Hollett at 705-848-3961.

REMINDERS

1. Please remember to throw your garbage as far to the back of the bins as possible. Otherwise, it builds up at the door and everyone thinks that it's full.
2. Do not put snow from your driveway into the roadway.
3. There are bags of salt available at the office for residents, for use on your front stoop and driveway. Alternatively, the yellow boxes around the complex contain sand that you can use.
4. On those snow mornings, don't move your car to the visitors spots until the visitor spots have been cleared.

The Board of Directors would like to take this opportunity to wish you all the best over the holiday season. Many of us will be travelling to visit friends and family and we hope those visits are memorable and joyous occasions.

If you will be away for an extended period, please let the office know so that we can keep an eye on your home while you are away ... because that's what good neighbours do.

Drive safe and remember to stock emergency equipment and extra clothing in your vehicle.

The Office will be closed December 9th, 16th, 23rd, 28th and 26th – 30th,

Wise Words to Start the New Year

- The early worm gets eaten!
- There is no pleasure in having nothing to do; the fun is in having lots to do and not doing it.
- Never argue with a fool, people may not know the difference.
- Lead me not into temptation (I can find the way myself).
- You can't skip and be unhappy at the same time.
- I have enough money to last me the rest of my life, unless I buy something.

Although this is not a rule, it is a matter of courtesy. It has to do with owners parking 2nd and 3rd vehicles in visitor parking spots located in front of other units. We ask that you please refrain from using those spots and instead park in the bulk visitor areas.

ANNOUNCEMENTS

If the temperature drops low, please remember to leave a tap (preferably downstairs) running slightly so that your pipes don't freeze.
